

Tower Gardens

Pirate Cove Play Area

Client: East Lindsey District Council
Address: Rutland Road, Skegness, PE25 2AX
Budget: £100,000
Age Range: All Ages & Abilities

Project Story

Situated in the heart of Skegness, Tower Gardens is a large Town Park that caters for local residents and visiting tourists. The existing play space was in much need of refurbishment to bring it up to acceptable modern standards and to provide children of all ages an exciting and safe environment to play. East Lindsey District Council had a healthy budget of £100,000 to redevelop the site with the specific request to create a themed space that not only inspired but would rejuvenate the whole park.

The Pirate Cove theme we incorporated clearly linked with the coastal environment and allowed us to provide our client with a bespoke Pirate Ship not currently found anywhere else in the UK. Combining the ship with other pirate themed units including a fully inclusive dolphin springer, secret hideout playhouse, treasure chests and extensive use of colour wet pour graphics has created a magical world for children of all ages to visit, which has completely transformed and revitalised the town park.

After

> Proludic fully understood our requirements and delivered a unique 'pirate themed' play area. They consulted with us throughout the project and completed the work in a timely and professional manner. We are delighted with our new play area and Proludic have continued to provide support even though it is now open to the public.

Themed Play

Children set sail for a world of adventure, crossing the stormy seas, discovering a desert island, or simply dropping the anchor to go fishing with friends, any number of stories can be created around the themed of water.

Themed equipment meets children's need to invent stories by imitating their everyday experiences, and with the possibility of doing things differently.
