## THE CHALLENGE:

Situated in the heart of Skegness, Tower Gardens is a large Town Park that caters for local residents and visiting tourists. The existing play space was in much need of refurbishment to bring it up to acceptable modern standards and to provide children of all ages an exciting and safe environment to play.

East Lindsey District Council had a healthy budget of £100,000 to redevelop the site with the specific request to create a themed space that not only inspired but would rejuvenate the whole park.

## THE SOLUTION:

The Pirate Cove theme we incorporated clearly linked with the coastal environment and allowed us to provide our client with a bespoke Pirate Ship not currently found anywhere else in the UK. Combining the ship with other pirate themed units including a fully inclusive dolphin springer, secret hideout play house, treasure chests and extensive use of colour wet pour graphics has created a magical world for children of all ages to visit, which has completely transformed and revitalised the town park.
