## THE CHALLENGE:

Welwyn Hatfield Borough Council were looking to revamp this tired and basic play area for the local residents as part of their annual redevelopment programme.

Proludic were chosen to reinject some life and vitality back into the park and to provide more play opportunities alongside new play equipment and surfacing.

## THE SOLUTION:

Summerfield play area has been given a full jungle-themed makeover! The new TEMA Adventure multi-play unit features a climbing wall, alphabet snake and moveable leaf panels which all provide some form of educational and tactile play experiences.

A new mini balancing circuit has also been installed to help young ones develop balance and coordination skills.

This project just goes to show that you don't have to have a huge budget to provide fun, challenging and exciting play facilities.
