

RAF Brize Norton

Brize Norton Play Area is Ready for Take Off

Client: RAF Benevolent Fund
Address: Faulder Avenue, Carterton, OX18 3LP
Budget: £260,000
Age Range: 2-16 years of age

Project Story

RAF Brize Norton wanted to create a bespoke destination park with a 'WOW' factor, that could act as a showcase site for the Airplay Project.

The new play area was officially opened by the Prime Minister, David Cameron. Faulder Avenue Park has been transformed into a bright and welcoming play area that brings together the entire community.

Proludic created a custom made play structure based on the Hercules Plane with a 16m wing span as a focal point. This unique item contains a fantastic range of inclusive play features including a Pod Swing, Wheelchair Accessible Cock Pit, Slides and Sensory Play Panels.

Before

After

"The playground is a testament to our great community because not only will it make a positive difference to many children and parents, it will also help to build even stronger bonds between military and civilian families."

- David Cameron, Prime Minister

Proludic & RAFBF Partnership

It has been our privilege to work in partnership with the Benfund since 2009 to deliver innovative play spaces for servicemen, women and their families to ensure there is a play park near their homes. We appreciate the importance play and sports areas have within communities as a hub for children and their families to meet.
