

# Themed equipment

## Technical specification

### J2603

- 1- **The painted panels** are 22mm thick and made up of layers of very high quality birch which are waterproofed with a coat of phenolic resin. The edges are then sealed and 3 coats of polyurethane paint are automatically applied to each face and edge.

- 2- **The platform and the seat** are made from a textured and non-slip compact material (HPL), 12.5mm thick.

- 3- **The stainless steel fixings** are protected by polyamide anti-vandal caps.
