

Lockway Play Area

Wren Funding To Regenerate An Old Play Area

Client: Drayton Parish Council
Address: Lockway, Drayton, Abingdon, OX14 4LG
Budget: £45,000
Age Range: Toddler, Junior & Families

Project Story

Drayton Parish Council had an old play area, which had worn away wetpour and a tired looking multiplay unit. They had applied to Wren for funding and were successful so were able to buy new equipment to bring the tired play area back to life. The client wanted a flush surface throughout the area plus some equipment that was going to inspire children and families in the area.

The client wanted a flush surface throughout the area plus some equipment that was going to inspire children and families in the area.

After

The refurbishment of the play area has seen an increased amount of families and children use the play area which is great for us to see. The Children love the new equipment from Proludic, making the fund raising well worth it.

- David Perrow, Drayton Parish Clerk

Themed Play

Themed Play

Themed equipment meets children's need to invent stories by imitating their everyday experiences, and with the possibility of doing things differently.

As children grow older, their ability to imagine and engage in fantasy fuels their play experiences and improves interaction with others. They acquire greater ease of communication, making it easier to learn and develop self-confidence.
