

Mundy Playing Field

Much Loved Play Area Gets An Update

Client: Thornbury Town Council

Address: Mundy Playing Fields, Thornbury, BS35 1NA

Budget: £90,000

Age Range: All Ages & Abilities

Project Story

Mundy playing fields is a unique play area at the centre of Thornbury. Proludic completed a comprehensive tender process and supported the Town Council consult with the community to deliver a much-needed re-vamp of this much-loved play space.

Accessibility was hugely important to the Council with trampolines, swings and a new accessible roundabout installed. New toddler equipment enhanced the existing splash pad, continuing the coastal and aquatic theme with fish springers and a lighthouse MPU. The offering of teen equipment was enhanced with a new rodeo board and 5m space net.

After

We are really pleased to be able to install a new play area at the Mundy Playing Fields and are delighted the equipment has been installed ahead of the summer holidays so it can be enjoyed.

- Councillor Clive Parkinson, Thornbury Town Council

Play Spaces for The whole Community

Playgrounds provide opportunities for local communities to come together at many different levels. They appeal to all ages, abilities and backgrounds, and they help both children and adults to meet and make friends. Creating a play space for varying age groups also encourages families to be active and have fun together.
