

Bournemouth Oceanarium

Fun Under The Sea

Client: The Bournemouth Aquarium
Address: Oceanarium, Pier Approach, Bournemouth, Dorset, BH2 5AA
Budget: £20,000
Age Range: Under 10s

Project Story

A new waddle of penguins were set to arrive as a star attraction to Bournemouth's Oceanarium, as a part of their large expansion. For this development Proludic were asked to come up with a unique design that could fit into a tight indoor space, providing as much play value as possible.

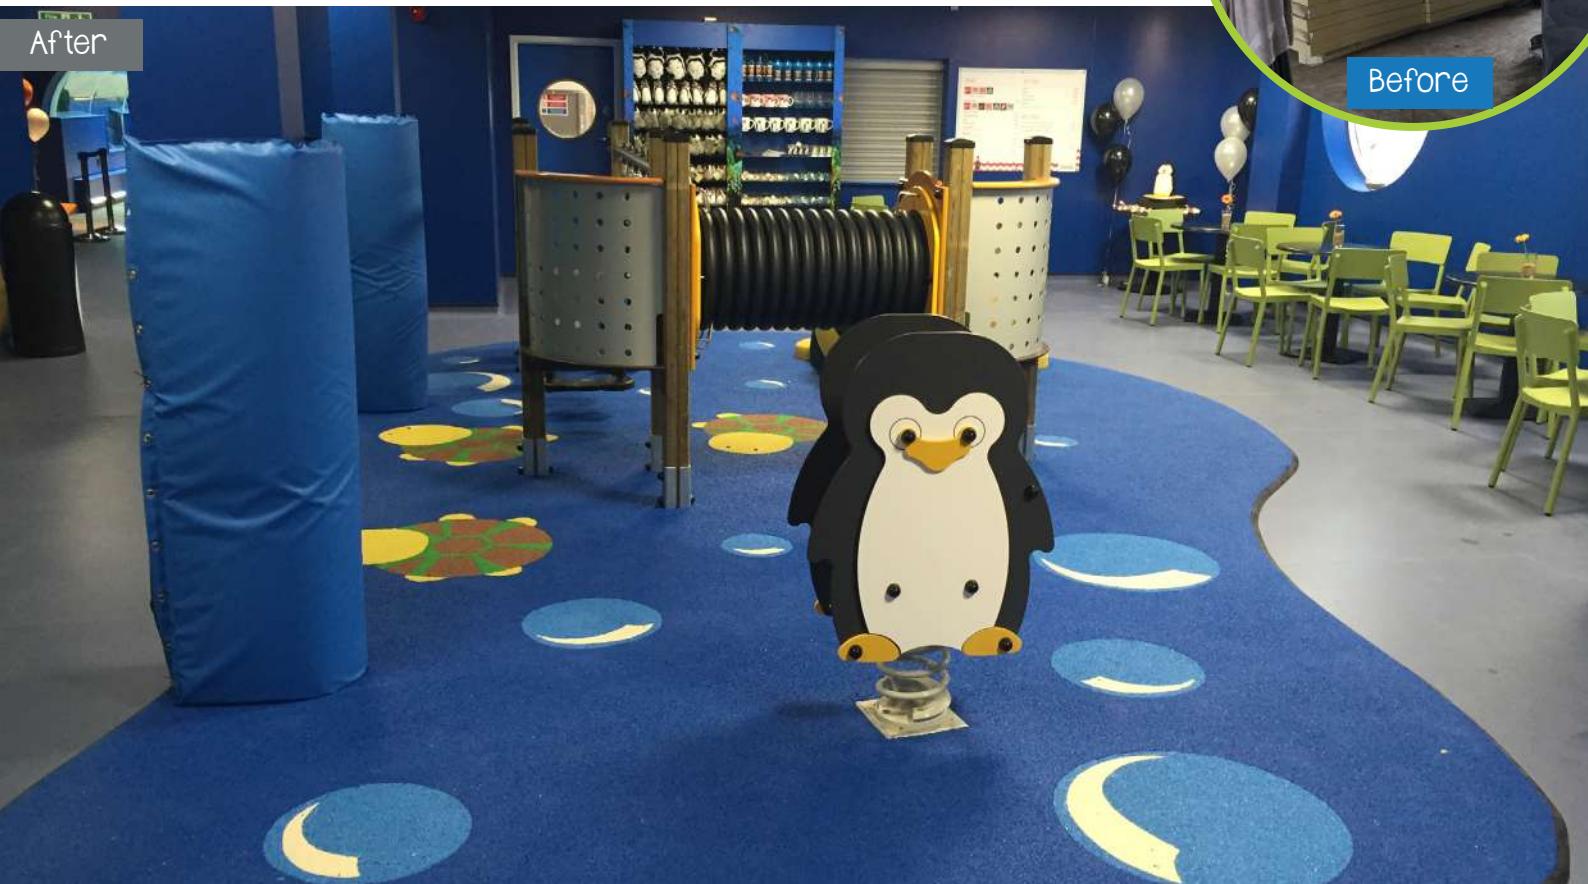

Proludic designed a bespoke springer to match the newest members of the Oceanarium team and created a trail through the centre of the space. The whole area was then brought together using the graphics in the wetpour to give an aquatic theme, with a large turtle overlooking the site which can be used as a seat, or for imaginary play.

Since installation the play area has been a huge success, and the turtles have become a firm favourite among visitors and employees alike!

Before

After

It was an extremely fun project to work on. It was bespoke, unique and interesting to work on an indoor space. Plus, it was really nice to meet the penguins at the VIP event.

- Oscar Lorraine, National Sales Manager, Proludic

Themed Play

Themed equipment encourages children to use their imagination. They can be adventurers on boats, trains, rockets, fire engines, lions or dinosaurs.

They can give free rein to their imagination, stimulated by the numerous details and original elements on each item of equipment.
