

GET ACTIVE AT COPPERFIELDS NEW PLAY AREA

COPPERFIELD ROAD PLAY AREA

Client:	Chelmsford City Council
Address:	Copperfield Road, Chelmsford, CM1 4UX
Budget:	£50,000
Age Range:	Toddler, Junior
Ranges:	Adventure Themed
Surfacing:	Wetpour

Project Story: A housing estate development in Chelmsford required a new play area, so the Council submitted a blank design brief to several competing outdoor playground providers. Chelmsford City Council held a consultation for the community to choose their favourite design. Over half of the votes received were for Proludic's vibrant, thrill-seeking design promoting activity and imaginative play with a toddler activity trail and themed elements in the surfacing.

Children can bounce on the trampoline in the clouds or play twister with bespoke graphics. With flat, accessible surfacing and a range of equipment, the playground offers something for children of all ages and abilities. Also included is an Adventure themed animal Multiplay Unit for younger children; and a 4m high challenging Biibox Multiplay Unit for older children.
