

THERE ARE SO MANY ADVENTURES TO BE HAD IN THE JUNGLE!

VIOLET CLOSE PLAY AREA

Client:	Test Valley Borough Council
Address:	Violet Close, Chandlers Ford, Eastleigh, Hampshire, SO53 4LP
Budget:	£67,000
Age Range:	Toddler, Junior
Ranges:	Origin, Diabolo Adventure, Kanopé
Surfacing:	Wetpour, Rubber Mulch, Bark

Project Story: Using equipment made from our sustainable Robinia wood and nature-themed ranges, this play area is inspired by the great outdoors. Proludic's elegant Kanopé multiplay unit is made from zinc-dipped galvanised steel and high-pressure laminate panels which blend seamlessly into the surrounding treescape. Test Valley Borough Council are as delighted with the play area as they were when it was first installed in 2017. As a result, they have subsequently gone on to collaborate with Proludic on many other play spaces.

The play area also features our adventure-themed multiplay unit which includes 19-play values for up to 18 jungle explorers to discover! The nature theme is enhanced by the subtle 'grass' wetpour graphics and Robinia swings. As always, it is the attention to detail, such as the etched totem poles and designated parking spaces for buggies that makes this play area design outstanding!

« This site, installed in 2017, has endured high usage and inclement weather but still looks like it was installed just yesterday! We encourage you to visit it and judge the quality of our equipment and workmanship for your yourselves! »

Tim Bird, Area Manager, Proludic
